VSCC 75TH ANNIVERSARY: MALVERN 2009

We are encouraging everyone to camp at Malvern in 2009 so that we can create our own 'Vintage Village' at the Three Counties Show Ground. There is plenty of space, a large number of 'hook-ups', and there will be 'quiet' and 'noisy' camping areas, on-site catering, bars, cinemas and, we hope, hundreds of Pre-war motor cars and their fans. Of course, we realise that camping will not suit everybody so we are publishing contact details for a number of Tourist Information Centres in the area any one of which should be able to help you find suitable accommodation for the week. We have a special arrangement with one of Malvern's finest – The Abbey Hotel. The following rates will be the most that any VSCC member will have to pay for any visit to the Abbey throughout

2009, including the event week:

| Standard Room | Superior Room | Executive Room | Includes |
|---------------|---------------|----------------|-------------------------------------|
| £79 | £89 | £99 | SINGLE Occupancy for B & B incl VAT |
| £89 | £99 | £109 | DOUBLE Occupancy for B & B incl VAT |

Should the Best Available Rate (BAR) in force at the time of your visit be below these levels then members will automatically be offered the BAR. All you have to do to benefit from these rates is to quote the Vintage Sports-Car Club when booking either by phone, mail or on-line. You can find out more about the hotel at www.sarova.com/abbey/ where there is also an on-line booking facility. Other contact details for the Abbey are:
