

**Vintage Sports-Car Club**  
**I.M. Group Limited**  
**Car Purchase Scheme**

The Vintage Sports-Car Club are pleased to announce the continuation of a special discount arrangement for members wishing to buy a new Isuzu or Subaru vehicle. In conjunction with the official UK importer, I.M. Group Limited, members can purchase any model in the ranges at a 10% discount.

A quotation for your vehicle, including road fund licence, PDI and delivery will then be sent to you for approval. Your vehicle will have to be collected from the Company's Head Office near Birmingham; please note that no trade-ins can be accepted under this scheme and finance can not be offered.

Once approved, the order will be fulfilled as soon as possible, availability of stock permitting. Funds will have to be cleared prior to collection. This arrangement is based on the vehicle being supplied direct from the importer; dealers are unable to supply vehicles through this scheme so do not approach dealers.

If you wish to take advantage of this offer, please visit the corresponding website ([www.isuzu.co.uk](http://www.isuzu.co.uk) or [www.subaru.co.uk](http://www.subaru.co.uk)) to identify the model, specification and colour you require and then contact the scheme administrator (mentioning VSCC), John Sheward (0121 730 8183 - [jsheward@imgroup.co.uk](mailto:jsheward@imgroup.co.uk)).
