Oulton Park Red and White Burgundy Case - £160 including VAT

6 bottles Louis Latour Saint Veran Les Deux Moulins

Louis Latour Saint-Véran 'Les Deux Moulins' is a white wine from the South of Burgundy. In common with the majority of white wines from the region it is made from the Chardonnay grape. Saint-Véran is the name of the growing area from where this wine comes. It is located to the south west of the town of Mâcon and lies next to the well-known appellation of Pouilly-Fuissé. This wine is made without the use of oak, it is medium-bodied, fresh and fruity, with quince and yellow peach flavours.

6 bottles Louis Latour Givry

Louis Latour Givry is a red wine from the Côte Châlonnaise region of Burgundy which forms a bridge between the Mâconnais in the South and the Côte d'Or to the north. Like the majority of red wines from Burgundy it is made from the Pinot Noir grape. This wine has a bright ruby colour with delicate aromas of berries including blackcurrants and raspberries. These flavours continue to the palate which is light to medium bodied, silky and smooth.
