WHAT IS A TRIAL?

A Trial is an untimed form of motorsport, where competitors attempt to climb a number of set routes up muddy hills. The route up each hill is known as a 'Section'. Each competitor will receive a score between 0 and 25 for each Section depending on how far they travel up the hill. All the scores for each Section are combined at the end of the event, and the Competitor with the highest combined score wins.

Competitors must carry passengers, who are called 'Bouncers'. The role of the Bouncer is to navigate the driver between sections on the public highway, and bounce within the confines of the car when they are on a section. Bouncing can give the car more grip, helping it to travel further up the hill and score more points.

You will notice Marshals standing alongside the Sections. The job of the Marshal is to observe the score of each car, whether it hits a marker, and to write this onto the Competitors' Score Card. Marshals are also responsible for ensuring the event runs safely. Trialling is a fun form of motor sport, very social and hugely successful within the VSCC. We run 7 Trials each year, the Welsh Trial has taken place in this area since 1939.
