MARSHALS' INSTRUCTIONS

Held under the General Regulations of The Motor Sports Association (incorporating the provisions of the International Sporting Code of the FIA) and these Supplementary Regulations

1. Introduction

Thank you for volunteering to marshal at the 2017 VSCC Race Season opening event taking place at Silverstone Circuit. We greatly appreciate your assistance in making this, and all our other events, the successful meetings they are. Should you find for any reason that you are unable to attend, please contact the VSCC Competitions Department on 01608 644777 ext 4 up to 1200hrs on Thursday 20 April, or on the Events Mobile (07734 030999) thereafter.

2. Event Passes

If you have received these instructions by email, your entry tickets have been posted to you separately. Those with no registered email with the Club, please find your entry ticket enclosed. **Moving forward we would like to issue all instructions by email whenever possible, so if you don't have an email address registered with us, please contact the Competitions Department to advise.** This pass will allow you free of charge entry to the circuit. Parking is free of charge. Should your duty require you to park in the paddock area, then you will find your paddock car parking pass enclosed, please display this clearly at all times.

3. Arrival and Signing-On

PLEASE NOTE MARSHALS PARKING HAS MOVED THIS YEAR – PLEASE PARK IN THE ALLOCATED AREA SHOWN ON THE ATTACHED PLAN. You will find below a table detailing of your required arrival time at signing-on and location details. When you sign-on you will be issued with a programme, armband or tabard, and a cash contribution towards your expenses. Marshals' names who do not appear on the marshalling list below should report to the Secretary of the Meeting for permission to sign-on. Any marshal under the age of 18 years must produce a letter of permission signed by a parent or guardian consenting to them assisting at the meeting. **Please note: signing on for Track Marshals has moved to the smaller garage under Race Control.**

4. Identification

Please ensure that you do not permit any other person to wear your allocated Marshal's armband, as only signed on personnel are permitted to wear official identification. If your duty is in an area that is prohibited to public access, you are not allowed to permit access to any non-signed on persons at any time. This includes any friends and/or family who may be attending the event.

5. Equipment

As your duty may require you to be outside all day, please ensure that you bring suitable clothing with you. Bottles of water will be available at signing-on.

6. Lunch Break

We will try to provide you with the longest lunch break as possible, but please be aware that this may have to be shortened should we suffer with delays during the morning practice sessions.

7. Health and Safety

We would like to remind you that motorsport can be dangerous, and that all safety features of the track and facilities should be made full use of at all times. Marshals should stand no closer to the track than absolutely necessary, and should use protective barrier whenever possible. You are also reminded that Marshals are not permitted to take photos or videos whilst on duty.

8. Marshals' Campsite

Camping is available in the Marshals' Campsite on Friday evening; to access marshals will need to enter the circuit and drive round the perimeter road and there is a left hand turn just past the Silverstone UTC building and facilities and just before Copse A grandstand.

9. Live Timing and Results Service

We are delighted to announce that VSCC will provide Live Results for this event in 2017. Competitors, Spectators, friends and family are invited to visit the below website, where live results for each Practice and Race will be published live by our time keepers. This website is accessible from PCs, Tablets and Mobiles.

10. Lockers

We are pleased to advise a limited number of lockers will be available in the garages under race control for Marshals and Competitors to use free of charge. These are available on a first come first served basis.

11. Alcohol Breathalyser Test

In accordance with D13.1.4, as a condition of participation, all Drivers and Officials consent to submit themselves to a random alcohol breathalyser test as required. The Club approved equipment used for testing will be 'AlcoSense Ultra' breathalysers within valid calibration periods of their current calibration certificates. Calibration and maintenance of the devices will be undertaken by AlcoSense Breathalysers. A Driver or Official who is considered to be possibly unfit due to consumption of alcohol will not be permitted to participate. Such persons may request a re-test after a period of at least 60 mins. If the Driver or Official is still considered unfit following the second test he/she remains ineligible to participate. Should a Driver not participate in either qualifying or a race / timed run due to the possibility of being unfit due the consumption of alcohol, further participation shall be at the sole discretion of the Clerk of Course. In addition to the random test, the Clerk of the Course and/or the Secretary of the Meeting may, at their sole discretion, direct that a test be carried out on any Driver or Official at any time during the meeting should they consider there are grounds for doing so. The results of all breathalyser tests remain confidential between the Secretary of the Meeting, the Clerk of the Course and the Driver or Official concerned. Refusal or withdrawal of consent to take a breathalyser test will be treated as a failure of the test and the Driver or Official shall be excluded from participation at the meeting.
