#### 2. VENUE ENTRY PROCEDURES

Thank you for entering the VSCC Oulton Park Race Meeting. You will find enclosed the event timetable, entry lists, safety guidance notes and paddock plan. **If you have received these instructions by email, your entry ticket have been emailed to you separately, as MSV now operate an e-ticket system. You are required to PRINT and BRING your e-tickets with you. E-tickets on mobile phones, tablets and laptops are not accepted at the gate.** Those with no registered email with the Club, please find your entry ticket enclosed.

2.1 Please note that only one support vehicle per competitor is allowed into the main paddock, you will need to park any additional support vehicles in the designated areas shown on the enclosed paddock plan. This will be rigorously enforced in order to create a historic feel within the paddock. We thank you in advance for your assistance with this matter. Please see the VSCC Paddock Management Policy for additional information.

2.2 Should you require additional tickets, these can be purchased on the gate or from the VSCC Office in advance by calling 01608 644999. **Did you know, that if you purchase your tickets in advance all of the funds go into the VSCC, but payment on the gate ticket funds all go to the circuit! If you need extra tickets please order them in advance from the Club Office, to help us grow and develop the Club!**

## FORMULA VINTAGE – ROUND 2

Oulton Park Circuit, Little Budworth, Tarporley, Cheshire, CW6 9BW

Saturday 10 June 2017

MSA Permit Number – 98761 & 98762

### COMPETITORS INSTRUCTIONS

5.3 All Reserves must attend the Assembly Area prior to their race, even if you have not been advised that you are racing, as you may be allowed to race at short notice. **Reserves will start from the back of the grid for all scratch races.**

#### 6. CHANGE OF DRIVER OR CAR

- 6.1 Entries cannot be transferred to alternative races, without prior consent.
- 6.2 Any person wishing to change a driver or car must visit the Secretary of the Meeting, located in Race Control, and request this in writing.
- 6.3 Changes of driver or car will result in a 'new entry' being created, which will mean that any reserves will be given priority.
- 6.4 For handicap races, changes of car will not be entertained and changes of driver only at the discretion of the Chief Handicapper.

#### 7. PADDOCK AND GARAGES

- 7.1 Please ensure you park as detailed on the enclosed map.
- 7.2 Only competing vehicles **and one support vehicle per competitor** will be admitted to the inner paddock.
- 7.3 Please ensure that you park sensibly in the paddock as space is very limited.
- 7.4 Trailers must be parked in the trailer park.
- 7.5 Motorhomes, transporters and modern cars must be parked in the overflow car park where possible, as they can spoil the period atmosphere within the paddock.
- 7.6 There is a 5mph speed limit in force in the paddock at all times.
- 7.7 Please note that competitors and entrants can be penalised for not complying with these parking arrangements.
- 7.8 The VSCC Drivers Club will once again be situated within the Paddock.
- 7.9 **Garages are pre-allocated for this event, but free of charge. Should you wish to book a garage please contact Samantha Haldane on 01608 644777 Ext 4 or [samantha.haldane@vscv.co.uk](mailto:samantha.haldane@vscv.co.uk) If you book a garage please collect the keys from MSV at the Oulton Park Office, on the ground floor of the Fogarty Moss Centre, where you may be asked to pay a small refundable deposit. Arrangements for the return of keys will be advised by MSV at the time of collection. Garages which are not pre-booked will be kept locked for the duration of the meeting and garages will not be available on the day.**

#### 8. SIGNING-ON PROCEDURE

- 8.1 Signing On takes place in the Office adjacent to the Scrutineering Bay.
- 8.2.1 Arrive at signing-on, no earlier than 1 hour before your scheduled Practice Time as per the timetable enclosed within your Entry Booklet.
- 8.2.2 Present your race licence
- 8.2.3 Collect your scrutineering chit, pit wrist bands and small sticky number.
- 8.2.4 If required, race numbers will be available at £3 per set.
- 8.2.5 Proceed to collect your Transponder – you will need to surrender your Competition Licence at this point for collection when your Transponder is returned.
- 8.2.6 If you are depositing your Upgrade Card for signature, please deposit this when you collect your Transponder. Please ensure that your Upgrade Card is completed with your personal details and a photograph is attached to the Upgrade Card – the Clerk of the Course will not sign incomplete cards.
- 8.2.7 Fit and secure your race number and Transponder to your car.
- 8.2.8 Proceed to the scrutineering bay to complete Scrutineering.

#### 9. SCRUTINEERING

- 9.1 The scrutineers will be checking:-
- 9.1.2 The usual safety and eligibility items
- 9.1.3 Competition numbers are easily visible from a distance, secured to the side of the car, in a contrasting colour to the colour of the cars bodywork and comply with MSA size requirements.
- 9.1.5 The small sticky number provided at Signing On is affixed to the front of the car.
- 9.1.6 All non-pump fuel cars are displaying a 3" day-glo orange disk immediately above the cars competition numbers.
- 9.1.7 Novice drivers are displaying a yellow and black 'novice' cross.
- 9.1.7.1 Shared cars have (both) competition numbers affixed (i.e. car 75 and car 175), and have suitable means for blanking out the additional number(s) when required.
- 9.1.8 Driver's helmets and safety clothing must be presented to the Scrutineer, for both drivers of the vehicle if the car is being double driven.
- 9.2 **Secure mounting of any Onboard Camera Systems**
- 9.3 Should any car be judged not to fulfill entry requirements, the organisers have the right to move the car into an 'Invited Class' not eligible for any awards.
- 9.4 **All Cars will be checked for fluid leaks by the scrutineering team and if deemed excessive or dangerous the offending car and driver will be reported to the Clerk of the Course who may choose to exclude the entry from the meeting. Competitors should have a catch tank for coolant fitted of a minimum of 1 litre capacity.**

#### 10. NOISE TESTING

- 10.1 Noise Testing will take place as part of the Scrutineering Process. **Please see Entry list Booklet for details of Noise limits for each Race.**
- 10.1.2 Cars will be noise tested at this event in accordance with Chart J.5.18 of the MSA Blue Book.
- 10.2 Drive-by noise levels will also be monitored; any car deemed to have unacceptable noise levels may be black flagged.

#### 11. FITMENT OF TRANSPONDERS

- 11.1 Each competitor will be issued with a Transponder at Signing On, unless you have your own permanent Transponder as indicated on your entry form.
- 11.2 This must be mounted to your car in a location where it can transmit an uninterrupted signal vertically downwards to the track.
- 11.3 Failing to record a suitable practice time due to poor or non-fitment, may result in you starting from the back of the grid.
- 11.4 Transponder Brackets are available for purchase at a cost of £6.00.

#### 12. FITMENT OF ONBOARD CAMERAS

- 12.1 Competitors must make themselves familiar with MSA J5.21.
- 12.2 **Should you wish to run an Onboard Camera, this must be securely mounted and ready for inspection at Scrutineering.**
- 12.3 **Once this inspection has been passed the Scrutineers will issue a 'Passed Onboard Camera Inspection' sticker.**

## Vintage Sports-Car Club FORMULA VINTAGE – ROUND 2

Oulton Park Circuit, Little Budworth, Tarporley, Cheshire, CW6 9BW

Saturday 10 June 2017

MSA Permit Number – 98761 & 98762

### COMPETITORS INSTRUCTIONS

- 12.4 This sticker will be inspected in the Assembly Area before you are permitted onto the circuit.  
12.5 The presentation of a competing vehicle in Assembly with a Onboard Camera fitted, but failing to display a Camera Inspection sticker may result in you not being allowed onto the circuit and will result in you being reported to the Clerk of the Course.

#### 13. PIT LANE DISCIPLINE

- 13.1 Smoking is forbidden anywhere in the pit lane.  
13.2 Each competitor will be issued with two wristbands for their support crew at Signing-on. These must be worn at all times – NO WRISTBAND = NO ADMITTANCE.  
13.3 At the end of each practice session and race, all cars must be cleared from the pit lane.  
13.4 No car may rejoin the track after the chequered flag has been shown.  
13.5 Whilst in the pit lane, through traffic should keep to the left, cars intending to visit the pits should stay central and stationary cars at a pit should be on the right.  
13.6 All garage doors on the pit side must be kept shut at all times.

#### 14. ASSEMBLY PROCEDURES

- 14.1 Ensure you arrive in the assembly area in a race-ready condition, with your car, a minimum of 20 minutes prior to the due start time of your race.  
14.2 Follow the Marshals' instructions closely.  
14.3 Only leave the area on instruction of the assembly Marshals.  
14.4 Do not leave your car unattended once you are in this area.  
14.5 Once your race is released to the grid:-  
14.5.1 Leave assembly under Marshals' instructions,  
14.5.2 Complete just 95% of a lap and take formation on the grid in readiness for the start of your race.  
14.6 In the event of a delay following a race due to recovery of competing cars, the following race's cars may be led to the grid behind a Safety Car during the recovery operation at the discretion of the Clerk of the Course; drivers will be briefed in the Assembly Area accordingly.

#### 15. PRACTICE

- 15.1 Practice sessions will be of 20 minutes starting from 0830hrs.  
15.2 Each driver is required to complete a minimum of three laps in each car entered in order to be allowed to race.  
15.3 Paddock announcements will be made should any changes to the schedule take place.  
15.4 Ensure that your car carries the correct transponder and competition number if you are sharing a car.  
15.5 Changes in your allocated session can only be sanctioned by the Clerk of the Course in writing as sessions are very full this may not always be possible.  
15.6 Scratch race grid positions will be allocated based on practice times, or as detailed in Championship Regulations.  
15.7 On completion of the session, the chequered flag will be shown;  
15.7.1 Slow down and complete almost a complete lap and return to the paddock, via the pit lane, following the Marshal's instructions.  
15.8 Practice times and grid positions will be available from the bottom of the Race Control building as soon as possible following the end of each session.

#### 16. RACE STARTS

- 16.1 Leave assembly in grid order and complete 95% of a lap. Maintain grid order, no overtaking.  
16.2 All Scratch Races will be started by lights.  
16.3 Once all cars are in position on the grid, the 5 second board will be shown; the red lights will then come on and racing starts once the red lights go out.  
16.4 Any car unable to leave on time or arriving late in the assembly area may be permitted to start from the pit lane, only once the race has started.  
16.5 Cars stopping on the grid in the wrong location may be given a jump start penalty.  
16.6 Once on the grid, if you are unable to start, you must immediately raise your arm vertically so as to advise other drivers that you are in technical difficulties, yellow flags will then be deployed.

#### 17. HANDICAP RACE

- 17.1 Handicap times are included in these instructions on the entry list pages.  
17.2 These times may be changed following the practice sessions.  
17.3 In the assembly area, each driver will be given a sticker with a number which corresponds to their batch.  
17.4 On the instructions of the Marshals, the cars will leave the assembly area and complete just over one lap and form up on the grid. Maintain grid order, no overtaking.  
17.5 Batch 1 will start at the drop of the National Flag.  
17.6 As these cars leave the grid, the starting official will then hold aloft the sign for starting Batch 2.  
17.7 This batch will start at the next drop of the National Flag then Batch 3, 4, 5 and so on, until all cars have left the grid.  
17.8 The batch signs are a white number on a red background.

#### 18. RACE FINISH

- 18.1 The Chequered Flag will be shown to the race leader once the race time has been completed.  
18.2 Once you have been shown the chequered flag you must drive around the circuit at reduced speed, without overtaking, and return to the paddock.  
18.3 Please acknowledge the Marshals during your slowing down lap if it is safe to do so, making sure you remain wearing all of your safety equipment until you are parked back in the Paddock.

#### 19. PARC FERME

- 19.1 All competition cars may be subject to post race scrutineering and may be held under Parc Ferme conditions until released by the Chief Scrutineer, even if this is at their paddock location.

## FORMULA VINTAGE – ROUND 2

Oulton Park Circuit, Little Budworth, Tarporley, Cheshire, CW6 9BW

Saturday 10 June 2017

MSA Permit Number – 98761 & 98762

### COMPETITORS INSTRUCTIONS

#### 20 AWARDS AND PRESENTATIONS

- 20.1 Winners of certain races and/or trophies will be presented with awards. We would like to thank Maison Louis Latour for sponsoring these awards.
- 20.2 After taking the chequered flag, the relevant cars in these races will be instructed to pull over in the parc ferme close to the Race Control building as directed by officials.
- 20.3 Please do not obstruct the flow of cars leaving and entering the pit lane.

#### 21. CONDUCT

- 21.1 During the course of the meeting, Officials will be monitoring all reports received in relation to competitor's personal conduct and adverse behaviour.
- 21.2 Should any individual be included in two or more reports during one race season, a written warning will be issued and their behaviour will be closely monitored for the remainder of the season.
- 21.3 Any subsequent reports could result in a refusal of further race entries.
- 21.4 Competitors are also reminded that the consumption of alcohol and drugs are not permitted and may result in exclusion as per the MSA regulations.
- 21.5 Competitors are not permitted to sell any merchandise without the prior written permission of MSV.

#### 22. ALCOHOL BREATHALYSER TEST

- 22.1 In accordance with D13.1.4, all Drivers and Officials consent to submit themselves to a alcohol breathalyser test as required.
- 22.2 The Club approved equipment used for testing are 'AlcoSense Ultra' breathalysers within valid calibration periods of their current calibration certificates. Calibration and maintenance of the devices will be undertaken by AlcoSense Breathalysers.
- 22.3 A Driver or Official who is considered to be possibly unfit due to consumption of alcohol will not be permitted to participate. Such persons may request a re-test after a period of at least 60 mins.
- 22.4 If the Driver or Official is still considered unfit following the second test he/she remains ineligible to participate.
- 22.5 Should a Driver not participate in either qualifying or a race / timed run due to the possibility of being unfit due the consumption of alcohol, further participation shall be at the sole discretion of the Clerk of Course.
- 22.6 In addition to the test, the Clerk of the Course and/or the Secretary of the Meeting may, at their sole discretion, direct that a test be carried out on any Driver or Official at any time during the meeting should they consider there are grounds for doing so.
- 22.7 The results of all breathalyser tests remain confidential between the Secretary of the Meeting, the Clerk of the Course and the Driver or Official concerned.
- 22.8 Refusal or withdrawal of consent to take a breathalyser test will be treated as a failure of the test and the Driver or Official shall be excluded from participation at the meeting.
- 22.9 It should be noted that Louis Latour are offering wine sampling as a promotional activity. They have been advised that this should not be served to competitors or officials of the meeting, and as such, you should not partake in this until you have finished all competition.

#### 23. COMPETITOR MOBILITY

Competitors are reminded of J5.19.2 – The vehicle occupant(s), seated in their normal position, wearing normal equipment, with seat belts fastened and the steering wheel in place, must be able to exit the cockpit within 7 seconds.

#### 24. HEALTH AND SAFETY

- 24.1 Enclosed are the Safety Guidance notes issued by the circuit which all competitors must read, in addition;
- 24.2 Any car which is having its transmission warmed by driving the wheels in the paddock area should have guards around them and with a competent person seated in the driving seat (K14.2). Stationary wheels should be firmly chocked.
- 24.2 Tow starting of cars is only permitted in the designated area as shown on the enclosed paddock plan.
- 24.3 A 24mph speed limit is in force on the whole of the site (excluding the track) with the exception of the paddock which is restricted to 5mph.
- 24.4 Scooters are only permitted to be driven by a person holding the appropriate driving licence.
- 24.5 Any other type of vehicle, i.e. mini motos, are not permitted.
- 24.4 Organisation of Circuit Activity - MSV is not liable to any Club, Team or Competitor in the event that any damage is caused in the course of removal of any vehicle from the circuit.
- 24.5 Placement of Advertising and Signage - Placards, banners, advertisements, stickers, decals or leaflets must not be attached, erected, installed or placed anywhere around the MSV Venue, including without limitation on any windows, fascias, hospitality suites or doors, without MSV's express prior written permission. Any cost incurred by MSV to rectify or repair any damage caused by any breach of this provision shall be immediately reimbursed by the relevant Club, Team or Competitor on demand.
- 24.6 Markings - Markings must not be made on any circuit or paddock surface. Any marking shall be removed by MSV at the relevant Club or Team's cost.
- 24.7 Surfaces - Pegs or stakes must not be hammered or inserted into any tarmac surface. Fuel, oil or chemical substances must not be deposited onto any tarmac surface. In both cases this includes without limitation the circuit surface and the pit and the paddock area. This includes damage caused by trailers which must be left sited on blocks, not directly onto the ground as limited weight restrictions apply. Any person who damages any tarmac surface may be excluded from the MSV Venue and, where such person is a Club or Team representative or Competitor, the Club, Team or Competitor shall on demand reimburse MSV for the total cost of rectification of any such damage.
- 24.8 Use of Paddock Bikes, Scooters and Quad Bikes - Whilst the use of paddock bikes, quad bikes and similar vehicles is permitted, they must be used with care to prevent injury. Clubs are responsible for ensuring the proper use of such vehicles, in particular ensuring that they are only used within the paddock areas and in a safe manner, not at excessive speed (and never at more than 10mph) or recklessly. Such vehicles must not be used on public roadways within the Venue, outside of the paddock. Clubs must ensure that such vehicles are only driven or controlled by appropriate drivers of suitable age. All drivers and passengers must wear suitable protective clothing and the number of passengers must not exceed the number of seats or passenger places provided. If any form of trailer is attached to such a vehicle it must be properly secured in line with the manufacturer's requirements or recommendations. The use of paddock vehicles is at the risk of the owner and/or driver and such use must be covered by a suitable public liability policy.
- 24.9 Tail Lifts - Where vehicles with tail lifts are being used at the Venue, the operator must ensure that the tail lift is never left down, including in the halfway position, other than when loading / unloading is being undertaken, as this may present a serious risk of injury to drivers or pedestrians.
