

# CadwellPark

**Paddock holding area for VSCC competitors arriving for Friday test sessions, and on Saturday ahead of race day.**

Please note:

If VSCC members testing on Friday are staying in the paddock throughout the weekend, they must be set up in this area.

Those set up on the Friday for testing will be asked to move over to this holding area once the test day is finished to make way for MGCC members.

Saturday afternoon / evening activities, including signing on, noise test and scrutineering will take place in this area.

The rest of the paddock will be opened up to VSCC paddock vehicles once MG Car Club competitors have started to vacate the paddock on Saturday evening – this will be from approx. 6.30pm onwards.

-  VSCC holding area
-  This area open from Saturday 6.30pm
-  Display area for Sunday: No paddock vehicles
