25. **FALSE STARTS.** If a competitor makes an unsatisfactory start, and provided that neither of the rear wheel centres has crossed the start line, he may be permitted to re-start. If, however, the car stops due to mechanical failure and cannot be immediately re-started, it must be removed as directed by marshals and unless it can be returned to the start line within two minutes a re-start will not be permitted.

26. **FLAG SIGNALS :** Ascending A Red Flag means STOP as soon as practicable and await instructions from Marshals.
Descending A Yellow Flag means proceed WITH CAUTION and be prepared to stop. A Red Flag means STOP as soon as practicable and await instructions from Marshals.

27. **RETURN TO PADDOCK.** After each class or batch is completed, cars will return down the hill on the signal from the Finish Paddock Marshal. Under no circumstances will a car descending the hill overtake or stop for any reason.
