Suffolk Tour

Sunday 12 May 2024

I must go down to the seas again, to the lonely sea and the sky,

And all I ask is a vintage car and a wheel to steer her by.

(With apologies to John Masefield)

This year we shall be exploring yet another beautiful area of Suffolk. As suggested in the words above you will deduce that we shall be heading for the water.

The tour will start and end at Whatfield Village Hall (IP7 6QU) and then progress via Hadleigh towards Constable Country and the Dedham Vale area of outstanding natural beauty. Beyond that the tour will move on to the Shotley Peninsula where amazing views can be enjoyed of the Haven Ports of Felixstowe and Harwich.

Afterwards the tour will return to Whatfield via Alton Water enjoying yet more of this wonderful county.

Refreshments will be provided at the start and finish of the tour and participants are advised to bring a picnic lunch.

The Suffolk Tour is a very popular annual event and, with limited numbers, early booking is recommended.

SAFETY, HEALTH, ENVIRONMENT AND FIRE (SHEF) AT THE VINTAGE SPORTS-CAR CLUB (VSCC) AND DURING VSCC EVENTS

It is the Policy of the Vintage Sports-Car Club (the Club) to operate in a positive culture of safety, health, and environmental protection throughout its entire business and sporting activities. To this end, the Club will coordinate all relevant activities under the collective heading of Safety, Health, Environment and Fire, or 'SHEF'.

The Club fully recognises the potential risks in its activities, the application of relevant legislation, and that it has the ultimate legal responsibility in these matters both in the workplace and at the Club's events. Accordingly, the President accepts overall responsibility for policy formulation and effective implementation of that policy. In turn, all employees, competitors, officials, and volunteer helpers are responsible for all SHEF duties allocated to them, either directly, or as a result of the Club's SHEF policy. Members of the public at Club events, whether paying or not, will be advised of their responsibilities as a result of their decision to spectate.

In pursuance of this policy, the Club will progressively identify all hazards and take measures to reduce risk. Motor Sport is spectacular and exciting, providing enjoyment to competitors and spectators alike, but there are many aspects of the sport which carry inherent risk. Much of this risk cannot be eliminated totally, and the emphasis must therefore be placed on controlling the risk through effective risk management systems. The purpose of such Risk Management will be elimination of the risk where possible, or to reduce the risk to levels which are demonstrably As Low As Reasonably Practicable (ALARP) where it cannot.

Throughout all of its activities, the Club will appoint an appropriate number of competent persons to implement the Club's SHEF procedures. In addition, a number of SHEF committees are established to ensure proper consideration of all risk factors, Committee members and other competent persons may be employees or volunteers. Competence will be guaranteed by formal training, the maintenance of records and, for motor sports events, full compliance with the rules and regulations of Motorsport UK (MSUK), the governing body of the sport in the UK, and the venue owners.
