Vintage Sports-Car Club Tyre List

Tyres of Acceptable Appearance for VSCC Eligibility

1. The tyres listed indicate they are of acceptable appearance to comply with the Club's Eligibility Rules. Their inclusion does not imply that they are suitable or recommended for any type of motorsport use. It is the responsibility of the owner and driver to ensure the tyres fitted to their car are suitable for the event entered.
2. There is no guarantee that the tyres in this list are available for purchase and the list includes some tyres that are no longer in production. These are included because examples continue to be used in Club competitions.
3. Whilst the list seeks to include the most popular tyres used for Club competitions it is not definitive. Other acceptable tyres will be available. If the tyre you are considering using is not included, please seek guidance from the Eligibility Sub-Committee. Remember, for Trials, only Road tyres are acceptable. Off Road, Trail or Enduro type tyres are not acceptable.

With thanks to Longstone Tyres www.longstonetyres.co.uk and Vintage Tyres www.vintagetyres.com for permission to use the images from their web sites.
