x	If, due to unforeseen circumstances, it becomes necessary to close a hill during the course of the trial, the following will apply:- an average will be taken of the scores gained by competitors in each of the two main classes. This average score will then be given to all competitors in that class who are unable to attempt the hill due to its closure, providing that at least 75% of the total entry have attempted the hill beforehand. Should less than 75% of competitors have attempted the section, no score by any competitor will count towards the results for this section.	
xi	<p><b>Optional Hill Restart.</b> One of the hills on the trial will feature an optional restart, scoring as follows.</p> <p><b>Option 1</b> If you decide to ATTEMPT the traditional STOP/RESTART, you will have an orange roundel stuck on the front of your car visible to all marshals, by a Trial Official at the start of the section. Your score card will similarly have a sticker attached. If so marked you will start the Section, STOP with front wheels in the box at the STOP/RESTART and move off after the marshal indicates you may do so, should you then to go on to clear the hill you will be awarded a 10 point bonus, giving a total of 35 points for the hill. Worth a gamble? Should you fail at the Stop/Restart, or anywhere else on the hill for that matter, you will receive the score indicated by the marker you have reached in the normal manner.</p> <p><b>Option 2</b> If you decide NOT TO ATTEMPT the traditional STOP/RESTART, before you start the Section, there will be no stickers attached to your car or card. In this case you will start the Section, drive straight through the STOP/RESTART and should you then to go on to clear the hill you will be awarded a total of 25 points for the hill. Should you fail anywhere on the hill, you will receive the score indicated by the marker you have reached in the normal manner.</p> <p>Do not forget you must make your choice before you attempt the Section. You are allowed to walk the hill and a map will be displayed at the Start.</p>	
xii	<p><b>Tie Breaker - Timed Hill – Dean's Place</b> One of the hills on the trial will feature a timed section to the hill, which will act as the tie break. Scoring is as follows.</p> <p>When you arrive at the hill the marshal will remind you that the hill has a timed element.</p> <p>You will start the hill in your own time, part way up the hill there will be a stop restart box. You must stop in this box. When the marshal drops the flag you must restart and complete the hill. Timing will be from the drop of the flag until the number 25 marker is passed at the top of the hill. If you fail to restart, hit a marker or fail the section before or after the restart you will be scored as normal, and no time will be lodged.</p>	

**NOISE:** Efficient silencing is part of good neighbourliness on which the future of our sport depends. Officials will be instructed to report to the Clerk of the Course any car that they deem to be making excessive noise. Warning to improve their silencing for future events may then be issued. Irresponsible driving between sections will be reported and could lead to exclusion from the event by the Clerk of the Course and the event Stewards.
