Saturday 5 / Sunday 6 August 2017

MSA Permit No. 101252

Held under the General Regulations of The Motor Sports Association (incorporating the provisions of the International Sporting Code of the FIA) and the Supplementary Regulations)

### MARSHALS' INSTRUCTIONS

Thank you for volunteering to Marshal at this event, please note that 2 weekend entry wristbands and an Orchard Parking Pass will be posted to you.

On arrival please park in the Orchard car park. Park along from the Bugatti Trust building adjacent to the road. **No Marshals' or Officials' cars are to be parked by the Start Line.** Please be assured that all officials, marshals and volunteers are greatly appreciated and the parking arrangements are solely to present the best period image possible at this event which is a showcase for the Club. Some Senior Officials and all emergency personnel have passes allowing their vehicles into the paddock side of Prescott. Please have your wristbands and parking passes ready in advance of arriving to prevent congestion at the entrance.

**Remembering Sue:** This weekend many drivers will be sporting stickers on their cars in remembrance of Sue Staveley. Sue was a leading light at many VSCC events but she is particularly associated with the Ladies Start line team at Prescott. As our own special tribute we would like to ask Marshals to wear an item of purple and to have a photo call on the Start line on Saturday, 5 minutes before the Marshals' briefing.

#### 1. SIGNING-ON

On both days please sign-on in the Paddock Office adjacent to the warming-up and start line, 07.30hrs Saturday & 08.00hrs on Sunday (unless you have been given alternative instructions). It is the responsibility of all Marshals to ensure that spectators do not gain access to prohibited areas or the track. Please remain at your post until cleared to stand down by the Clerk of the Course or his Deputies. Marshals doing a stint of gate duty at the bottom of the hill should not leave the gate unattended at any time.

In accordance with D13.1.4, all Drivers and Officials consent to submit themselves to an alcohol breathalyser test as required. The Club's approved equipment used for testing are 'AlcoSense Ultra' breathalysers within valid calibration periods of their current calibration certificates. Calibration and maintenance of the devices will be undertaken by AlcoSense Breathalysers.

A Driver or Official who is considered to be possibly unfit due to consumption of alcohol will not be permitted to participate. Such persons may request a re-test after a period of at least 60 mins.

If the Driver or Official is still considered unfit following the second test he/she remains ineligible to participate.

Should a Driver not participate in either qualifying or a race / timed run due to the possibility of being unfit due the consumption of alcohol, further participation shall be at the sole discretion of the Clerk of Course.

In addition to the test, the Clerk of the Course and/or the Secretary of the Meeting may, at their sole discretion, direct that a test be carried out on any Driver or Official at any time during the meeting should they consider there are grounds for doing so.

The results of all breathalyser tests remain confidential between the Secretary of the Meeting, the Clerk of the Course and the Driver or Official concerned.

Refusal or withdrawal of consent to take a breathalyser test will be treated as a failure of the test and the Driver or Official shall be excluded from participation at the meeting.

**N.B. This year Marshals' and Officials will be selected at random for alcohol testing prior to the event. Those selected will be marked on the signing on sheet and the Bulletin and should present themselves to the Secretary of the Meeting in the Paddock Office prior to the commencement of their duty.**
