

APPLICATION TO REGISTER A VEHICLE UNDER ITS ORIGINAL REGISTRATION NUMBER

How to register your vehicle under its original registration number:

- a. Applications must be submitted on form V765 and signed by the keeper of the vehicle agreeing to the terms and conditions of the V765 scheme. A V55/5 should also be filled in and a recent photograph of the vehicle confirming it as a complete entity must be included. A FEE IS NOT APPLICABLE as the vehicle is being re-registered and is not applying for first registration.
- b. The application must have a V765 form signed, stamped and approved by the relevant vehicle owners/enthusiasts club (for their make/type), shown on the 'List of Vehicle Owners Clubs' (V765/1). The club may charge a fee to process the application.
- c. Evidence MUST be presented with the application to link the registration number to the vehicle. Acceptable forms of evidence include:-
 - The original old style logbook (RF60/VE60).
 - Archive/Library records displaying the registration number and the chassis number authorised by the archivist clearly defining where the material was taken from.
 - Other documentary evidence linking the chassis and the registration number to the vehicle. If successful, this registration number will be allocated on a non-transferable basis.

Within the VSCC the Scheme is administered by the Eligibility Sub-Committee on-behalf of the Club. The DVLA will recognise an application supported by the VSCC only when there is not a one marque Owners' Club in their published List.

DVLA will require the applicant to provide as much documentation as possible to support the date of manufacture. They no longer accept applications solely on the endorsement of a recognised Club. The Club's role is to confirm that the supporting documentation is authentic and to the best of our knowledge the date stated is the correct date of manufacture. This will hopefully allow the DVLA to issue an age appropriate registration number.

The more supporting information the better and the more likely a positive outcome.

Initial enquires should be sent by post to Alex Elliot at The Old Post Office address or by email to info@vscc.co.uk
