**THE POMEROY TROPHY**

Saturday 24 February 2018  
MSA Permit Number - 103794

Held under the General Regulations of The Motor Sports Association (incorporating the provisions of the International Sporting Code of the FIA) and these Supplementary Regulations

# MARSHALS' INSTRUCTIONS

## 1. Introduction

Thank you for offering to help at this unique event. There are no tickets issued for this event, so please print these instructions and show to gate staff at Silverstone, should you be stopped. Please sign-on in the location advised and at the time detailed in the timetable.

## 2. Event Detail

The competition consists of a series of tests as detailed in the Competitors' Instructions, which will be sent to you separately. Some marshals will be required for duties which will occupy them all day such as admin, assembly, paddock, etc; some will be required for one duty in the morning and another duty in the afternoon; others will only be needed during the afternoon (i.e. when the circuit has to be manned as for racing). Although this is not a race meeting, the same hazards prevail and the same standards of behaviour and discipline will be expected – so, no cameras while wearing an armband, no taking friends into prohibited areas, etc. Do not wear outer garments of similar colour to flag signal colour etc. Full use must be made of protective barriers and no marshal should stand nearer to the track than is necessary for the performance of his/her duty.

Armbands are not transferable and are issued only for use in connection with the duty allocated. Marshals under the age of 18 **must** have a letter of consent signed by their parent or guardian.

Please remember to bring warm clothing as it can be extremely cold at Silverstone at this time of the year. Should you no longer be able to attend, please let the Club office know on 01608 644777 ext 6 up until midday on Thursday 22 February or 07734 030999 thereafter.

Please refer to the timetable, and note how this affects your duty. It may be necessary to alter the duty allocated in case of absentees. Please advise the Club office if you think we may have allocated you incorrectly.

## 3. Observers/Post Chiefs/Flag Duties

The marking of Test E in the afternoon relies on Race Control being informed of any competitor who stops, spins, or makes any other such manoeuvre for which they accrue penalties during the 40 minutes. Please ensure your Observer Reports contain this information and are given to the Course Car when it comes around the circuit at the end of each session. PLEASE NOTE: You may have some trainee marshals at your post. These will be supervised by someone other than yourself, and you will be well briefed on the day about this. Your co-operation is appreciated.

## 5. Marshals Training

This morning only session, starting at 9.00am, will cover two MSA Training Modules, Incident Handling and Flags. Attendees will then be invited to flag trackside during the afternoon session. The training will also cover elements such as dealing with FHRs, which is relevant for the VSCC as we now host a number of races which feature these devices. This training will take place on the First Floor of The Brooklands Suites.
