PROGRAMME COPYRIGHT: All literary matter in this programme, including the list of competitors, their cars, and their racing numbers is copyright and any person found making illegal use thereof will be prosecuted. Although every endeavor is made by Club staff to avoid inaccuracies in the descriptions of the competing cars and their owners and drivers, the Club accepts no responsibility for any that occur. The Club reserves the right to postpone, abandon, or cancel the Meeting or any part thereof without prior notification.

SPECTATOR INFORMATION

Please remember Trials are not really spectator events. Many hills are unsuitable for public access and only those listed below are available for public viewing. If visiting a spectator hill please remember to park responsibly, respect the landowner's property and follow any instructions given by a Marshal.

This event primarily uses OS map 149, plus small sections of maps 162 and 150.

Please note – Lambing is in progress, therefore no dogs will be allowed on any hill venues. Please be aware that most hill sections are near or on farmland containing sheep. We would rather you make alternative arrangements than risk putting our relationship with landowners in jeopardy.

HOW TO BACK DOWN A TRIALS SECTION SAFELY

Following a number of incidents involving competing cars reversing off hills at VSCC Trials the Safety Sub-Committee and Trials Sub-Committee were asked to consider guidance that could be offered to Competitors in the form of the best practice to follow. It is not possible to allow for every scenario, but the following is the recommended process to adopt under normal circumstances:

1. When the car stops put the handbrake on
2. Passengers get out and stand in a safe place (unless instructed otherwise)
3. Pause for a moment to calm down
4. Listen to the marshals' instructions.
5. Check the front wheels are facing straight ahead
6. Switch off the engine, engage reverse gear, release the brake
7. Use the compression of the engine to allow a steady descent
8. If you can't turn round use your mirrors
9. Use your passenger to help by giving directions
10. Take your time.....be safe!

The two committees are reviewing other safety related issues for Trials and will report back with findings and further recommendations on car preparation, driver and marshal training, use of paramedics, managing spectators etc - as appropriate in the coming months.
