MSA Permit Numbers –104874 (National B) and 104875 (Clubmans)

MARSHALS' INSTRUCTIONS

1. Introduction

Thank you for volunteering to marshal at Donington Park Circuit. We greatly appreciate your assistance in making this, and all our other events, the successful meetings they are. Should you find for any reason that you are unable to attend, please contact the VSCC Competitions Department on 01608 644777 ext 6 up to 1300hrs on Friday 22nd June, or on the Events Mobile (07734 030999) thereafter.

2. Event Passes

If you have received these instructions by email, your entry tickets have been emailed to you directly by MSV separately. Those with no registered email with the Club, please find your entry ticket enclosed. Parking is free of charge.

3. Arrival and Signing-On

You will find below a table detailing of your required arrival time at signing-on and location details. When you sign-on you will be issued with a programme, armband or tabard, and a cash contribution towards your expenses. Marshals' names who do not appear on the marshalling list below should report to the Secretary of the Meeting for permission to sign-on. Any marshal under the age of 18 years must produce a letter of permission signed by a parent or guardian consenting to them assisting at the meeting.

4. Identification

Please ensure that you do not permit any other person to wear your allocated Marshal's armband, as only signed on personnel are permitted to wear official identification. If your duty is in an area that is prohibited to public access, you are not allowed to permit access to any non-signed on persons at any time. This includes any friends and/or family who may be attending the event.

5. Equipment

As your duty may require you to be outside all day, please ensure that you bring suitable clothing with you. Bottles of water will be available at signing-on.

6. Lunch Break

We will try to provide you with the longest lunch break as possible, but please be aware that this may have to be shortened should we suffer with delays during the morning practice sessions.

7. Health and Safety

We would like to remind you that motorsport can be dangerous, and that all safety features of the track and facilities should be made full use of at all times. Marshals should stand no closer to the track than absolutely necessary and should use protective barrier whenever possible. You are also reminded that Marshals are not permitted to take photos or videos whilst on duty. **In the event of a serious incident Dave Salmon, VSCC CEO, is nominated as spokesperson for the Club. Competitors, Marshals and Officials should not make any statement or comment to the press and refer all enquiries to Dave Salmon directly, who is contactable via Race Admin.**

We have recently received a number of reports of competitors being abusive towards marshals and vice versa. We strongly encourage all competitors, marshals and officials to refrain from this type of behaviour. Abuse will not be tolerated and any such action should be referred to the Clerk of the Course.

8. Live Timing and Results Service

We are delighted to confirm that VSCC will provide Live Results for this event in 2018. Competitors, Spectators, friends and family are invited to visit the below website, where live results for each Practice and Race will be published live by our time keepers. This website is accessible from PCs, Tablets and Mobiles. **Please do not use this website whilst you are on duty.**
