The late member David Roscoe (Top Cameraman) took 16mm videos for the VSCC starting at the age of 16 in 1946. The originals are in the VSCC archive but he uploaded many on to Youtube.

If members use this [link](#) they will find a list of many videos of the VSCC and other racing/hill climbs/trials etc.

Table top rallies:

The Rally Sub-committee have been working hard to get these online and you can find Rally One [here](#).

Club news

Many of you will have already received your online monthly newsletter with the paper copy following hard on its heels. It contains important news about a re-scheduled AGM.

Due to the current crisis we are unable to schedule the meeting as planned at Gaydon, and will be delivering it via the meeting app, Zoom.

Anyone with an email address on our system will receive notification of how to participate, with the ability to send questions through in advance.

If you are unsure if we hold your latest email address please check your details on the [website](#) - login using your membership number and password/PIN, then go to My Account, then Your Details.

The VSCC Messaging Service is now live and helping to keep club members in touch with each other, by sending messages through the web site.

This service allows you to search for members by name or by location. However, a search by county will only find those members who have chosen to display their location.

Please do log in and check [your details](#) are correct and up to date.

The Club Secretary is planning on using the Bank Holiday weekend to finish reading Split Seconds by Raymond Mays and start some of the other books recommended to her over the years.

What would be your recommendation for the best book for new members to read?
