### Facebook Live 'Pub' Quiz

Our first Facebook Live quiz took place last Friday and was enjoyed by all who took part. We will be hosting another on Friday 29th May, compered by the man whose idea it was originally, Matt Shepherd. You can send suggested questions to [tania,brown@vscc.co.uk](mailto:tania,brown@vscc.co.uk) or direct to Matt.

Visit our [Facebook page here](#)

The VSCC Messaging Service is now live and helping to keep club members in touch with each other, by sending messages through the web site.

This service allows you to search for members by name or by location. However, a search by county will only find those members who have chosen to display their location.

Please do log in and check your details are correct and up to date.

Dragonfly, a provider of rally plates, is producing a rally plate for those who were unable to attend rallies during this awkward period, the profits all going to NHS Charities. So far they have raised £11,500 and rising. The cost is £10.00 per plate including postage, packing & VAT. To order one, click [here](#).

Currently Motorsport UK have suspended all permits until 30th June but have very recently released guidance on how to get motorsport restarted. There are many and varied opinions amongst the membership who have been in contact. Your committee will be discussing this at the next meeting and further details on our plans will be published soon. Our main priority remains looking after the marshals, volunteers and staff combined with providing an environment for us all to meet as safely as possible,

## Table top rallies

Perfect for keeping the grey matter ticking over, your Rally Sub-committee is offering a series of table top rallies. If you have a young (or old) potential navigator in your family, this is a really good way of getting some experience from the comfort of home. There are no scores or prizes, but the correct route for each will be published so you can check how you did.

The second rally is a return to the area used in Kentish rallies of the 1990s organised by Annabel Jones. The map and route card, along with the solution to the first and second rally, are [here](#).

The team would love to hear from you with any feedback so we can pitch these correctly, find out how many of you are doing them and answer questions. Please use the forum to comment or ask a question or you can send an email to [annabel@vsc.co.uk](mailto:annabel@vsc.co.uk) (Annabel Jones, the chair of the Sub-committee).
