

Table Top Rally edition 10: Downton Country

Coloured Roads Only: There is one mention of a "white" in the instructions, for clarification only. No white road should be used.

Starting from the PH in Highclere at 436601NNE

Section 1: Dedicated to old acquaintances: Mr. and Mrs. Bone and their daughter Erin

To NE433622

Section 2: A spottily symbolic route

Note: Crossroads may be used twice, providing each use is a "left turn", so the route never actually crosses!

🕇 🗲 113 W 118SW 🧲 124 118 93 || Re 🧲 109 108 93 122 🛓 over LC 82 🦿 PH

To 432680N

Section 3: A colourful route

Imagine you are standing in the middle of a junction. The 1st letter is the colour of the road you arrived on. Successive letters are the roads clockwise around the junction. Leave the junction on the **bold** road.

```

To "Halfway" PH 408684

Section 4: Numbing

A combination of grid lines and spot heights. Exit squares crossing the grid lines, and go via the spot heights.

93403968896739663914566389437101 366611212865363664366437643763

To: 366625 "long barrow"

Section 5: Never Eat Shredded Wheat (Other breakfast cereals are available.)

Exit grid squares in the direction given

SESWESSSENESEENENENSN

To finish back at the start.
