### 2021 Media Accreditation Application Form

If you would like to attend a VSCC event and are not already on the Media list for the Vintage Sports-Car Club please complete the form below and return to Liz Fox, Membership & Publicity Coordinator, at the Vintage Sports-Car Club.

Please read the sections below carefully before completing this application form. Forms not fully completed will be returned. Please note that the completion and submission of this form does not guarantee the granting of a media pass and only one weekend pass to be issued per application.

For annual applications please write ANNUAL in the 'Event Name' space – you will then be registered and supplied log in details to the VSCC website to choose any of the 2021 events you wish to attend. Passes / Tickets will be automatically issued usually a week before each event.

All applications MUST be supported by:

- A. Original letter of accreditation from the editor or director of a recognised publication/agency/media organisation relating to the specific event. Without it, the application will NOT be considered
- B. Two examples of published work either from the past two seasons, preferably relating to motorsport
- C. Proof of Public Liability Insurance Cover – it is a requirement at all VSCC Events to have the necessary public liability insurance cover for motorsport photography in place (not less than £5m as standard). This is the responsibility of the individual and/or employer and evidence of this may be requested when signing-on

The Club appreciates receiving copy of your published work from the event, in particular magazine and newspaper coverage, as well as photographs. This will help you to retain your media accreditation with the VSCC. If you think it is unlikely that the Club is on the mailing list for the publication you are contributing to please send a copy direct Liz Fox. The easiest way to send the photographs you are happy to share with the Club is via WeTransfer. The photographs you send are stored in the Club's digital archive and maybe used for VSCC promotional activities and wherever possible will always be accredited with our thanks. Any details regarding the content of the photo eg. Driver name or any other relevant information in the file name greatly assist with database searches associated with editing future publications. Please email these to Liz Fox at [liz.fox@vsccl.co.uk](mailto:liz.fox@vsccl.co.uk) and Matthew Bell, Editor of the Club's quarterly *Bulletin* magazine, at [vsccl.editor@gmail.com](mailto:vsccl.editor@gmail.com).
