This year the Scottish Weekend will start with a BarBQ at Braeside House in Selkirk on the evening of Friday, 25th June, followed by the Scottish Tour, our annual dinner and a Scatter Rally over the next two days. The event will be based on the Buccleuch Arms Hotel in St Boswells, on the village green at St Boswells, TD6 0EW (telephone 01835 822 243) and voted Scottish Inn of the Year in 2015.

The event will comprise a BarBQ at Braeside House on Friday evening, the Scottish Tour on Saturday, followed by the Scottish Weekend Dinner that evening, and a scatter rally on the Sunday morning.

As independence is in the air at the moment, the Tour will involve an inspection of Hadrian's Wall to check the fortifications.

We hope to have a special guest over the weekend, who will be coming up from down south for the event.

The three course dinner costs £40.00 per person, excluding drinks, with choices selected and booked in advance by the individuals concerned, and payable on the night to the hotel.

The entry fee for both parts of the Scottish Weekend is £60.00, which will include tea or coffee and biscuits at the start and finish of the Tour, provided by the hotel, payable in advance with the Entry Fee.

For those wishing to enter only one event over the weekend, the Entry Fee for the Tour is £35.00 and for the Scatter Rally is £35.00, but it is hoped that most Members will want to enter both events.

The Scottish Tour

The Tour this year will venture west towards Carlisle and then pick up Hadrian's Wall running eastwards as far as Humshaugh before turning north through Northumberland national Park around Kielder Water and then back to the Buccleuch Arms at Melrose.

There are a number of beauty spots as lunch stops for those bringing their own packed lunches, or there are a number of pubs and cafes along the route where lunch can be bought en route.

The route this year will cover around 110 miles with the start and finish at the hotel, following the B 6399 south to pick up the B 6318 eastwards, before turning north onto the B 6320 up to Bellingham before driving around Kielder Water and then onto the A68 and to the hotel.

Entrants will receive an easy-to-follow Road Book containing all the instructions for the Tour. For those of you who would like to try a little VSCC rally-style navigation, a section of the Road Book will have some rally instructions if you wish to take this option.

The route will not be timed in order to comply with MSUK regulations.

The event is open to all cars made before 1st January 1940 – with or without a Buff Form - and the route will include some of the best "vintage" driving in the country with open roads and spectacular views through the Scottish Borders and the Northumberland National Park.

The Scottish Scatter Rally

On Sunday morning, there will be a two-hour "Scatter Rally" organised for us by Martin Jelley, finishing at noon for announcement of the results, lunch and departure home.

Where the policy cannot be extended to provide the necessary cover the Club has applied to REIS for a Blanket Cover Note under the Motor Sports Road Traffic Scheme. This provides Competitors who need to use the Scheme with the Third Party Cover necessary to meet the RTA requirements. The basic rate for the Event is £35.00. - Aged 19 years or over
- Has held a full licence for a minimum of 6 months
- Has no more than 6 points of their licence
- Has had no more than 1 fault claim in the last 3 years
- Anyone aged less than 19 years old will also be accepted at the same price should their co-driver be a more senior member of their family or over 25.

If you comply with all of the above points and wish to take out the cover then please complete the REIS Competitor Form attached to these instructions and present it when Signing-on for the event and pay the premium to obtain Insurance under this scheme – No Letter of Acceptance will be issued.

Anyone falling outside these limits and not covered by their own motor insurance policy should refer directly to the REIS Motorsport Team on 0115 9651030 at least one working day prior to the event commencing – only in extreme conditions will REIS refuse insurance or a load premium.

SAFETY, HEALTH, ENVIRONMENT AND FIRE (SHEF) AT VINTAGE SPORTS CAR CLUB (VSCC) AND DURING VSCC EVENTS

It is the Policy of the Vintage Sports-Car Club (the Club) to operate in a positive culture of safety, health, and environmental protection throughout its entire business and sporting activities. To this end, the Club will coordinate all relevant activities under the collective heading of Safety, Health, Environment and Fire, or 'SHEF'.

The Club fully recognises the potential risks in its activities, the application of relevant legislation, and that it has the ultimate legal responsibility in these matters both in the workplace and at the Club's events. Accordingly, the President accepts overall responsibility for policy formulation and effective implementation of that policy. In turn, all employees, competitors, officials, and volunteer helpers are responsible for all SHEF duties allocated to them, either directly, or as a result of the Club's SHEF policy. Members of the public at Club events, whether paying or not, will be advised of their responsibilities as a result of their decision to spectate.

In pursuance of this policy, the Club will progressively identify all hazards and take measures to reduce risk. Motor Sport is spectacular and exciting, providing enjoyment to competitors and spectators alike, but there are many aspects of the sport which carry inherent risk. Much of this risk cannot be eliminated totally, and the emphasis must therefore be placed on controlling the risk through effective risk management systems. The purpose of such Risk Management will be elimination of the risk where possible, or to reduce the risk to levels which are demonstrably As Low As Reasonably Practicable (ALARP) where it cannot.

Throughout all of its activities, the Club will appoint an appropriate number of competent persons to implement the Club's SHEF procedures. In addition, a number of SHEF committees are established to ensure proper consideration of all risk factors, Committee members and other competent persons may be employees or volunteers. Competence will be guaranteed by formal training, the maintenance of records and, for motor sports events, full compliance with the rules and regulations of The Motor Sports Association (MOTORSPORT UK), the governing body of the sport in the UK, and the venue owners.
