The Scottish Weekend 2022

This year the VSCC's Scottish Weekend will be based on the Mabie House Hotel, outside Dumfries, with the Saturday Tour exploring the Dumfries countryside north of the town. Back at the Hotel at 6:00pm, Dr. Nina Baker will talk to us about a little known, but significant woman engineer.

This will be followed by the Tour Dinner (3 courses, 3 menu choices each course plus coffee) - details will be sent to all entrants. On the Sunday there will be a light-hearted Treasure Hunt finishing at The Devils Porridge Museum.

Accommodation: All the rooms in the Mabie House Hotel have now been booked for participants in the weekend but there is plenty of alternative B&B accommodation in and around (5 miles away) such as the Holiday Inn at the Crichton or the Premier Inn on the Dumfries bypass with more available at [booking.com](https://www.booking.com).

Special thanks to Lyn Walby and Paul Connor for organising the Tour and for running the Treasure Hunt for us this year.

The Scottish Treasure Hunt

On Sunday morning, there will be an optional two-hour "Treasure Hunt" finishing at noon for the announcement of the results, lunch and departure home from The Devil's Porridge Museum

Individual Third Party Car Insurance

Competitors are reminded to check their motor insurance policy to make sure that it covers them when on the public road as many policies have exclusions when the individual is involved in any form of motorsports.

Where the policy cannot be extended to provide the necessary cover the Club has applied to REIS for a Blanket Cover Note under the Motor Sports Road Traffic Scheme. This provides Competitors who need to use the Scheme with the Third Party Cover necessary to meet the RTA requirements. The basic rate for the Event is £35.00. New applicants wishing to use the Scheme must be able to comply with all points of the REIS Declaration and these are:-

- Aged 19 years or over
- Has held a full licence for a minimum of 6 months

- Has no more than 6 points of their licence
- Has had no more than 1 fault claim in the last 3 years
- Anyone aged less than 19 years old will also be accepted at the same price should their co-driver be a more senior member of their family or over 25.

If you comply with all of the above points and wish to take out the cover then please complete the REIS Competitor Form attached to these instructions and present it when Signing-on for the event and pay the premium to obtain Insurance under this scheme – No Letter of Acceptance will be issued.

Anyone falling outside these limits and not covered by their own motor insurance policy should refer directly to the REIS Motorsport Team on 01 15 965 1030 at least one working day prior to the event commencing – only in extreme conditions will REIS refuse insurance or a load premium.

SAFETY, HEALTH, ENVIRONMENT AND FIRE (SHEF) AT VINTAGE SPORTS CAR CLUB (VSCC) AND DURING VSCC EVENTS

It is the Policy of the Vintage Sports-Car Club (the Club) to operate in a positive culture of safety, health, and environmental protection throughout its entire business and sporting activities. To this end, the Club will coordinate all relevant activities under the collective heading of Safety, Health, Environment and Fire, or 'SHEF'.

The Club fully recognises the potential risks in its activities, the application of relevant legislation, and that it has the ultimate legal responsibility in these matters both in the workplace and at the Club's events. Accordingly, the President accepts overall responsibility for policy formulation and effective implementation of that policy. In turn, all employees, competitors, officials, and volunteer helpers are responsible for all SHEF duties allocated to them, either directly, or as a result of the Club's SHEF policy. Members of the public at Club events, whether paying or not, will be advised of their responsibilities as a result of their decision to spectate.

In pursuance of this policy, the Club will progressively identify all hazards and take measures to reduce risk. Motor Sport is spectacular and exciting, providing enjoyment to competitors and spectators alike, but there are many aspects of the sport which carry inherent risk. Much of this risk cannot be eliminated totally, and the emphasis must therefore be placed on controlling the risk through effective risk management systems. The purpose of such Risk Management will be elimination of the risk where possible, or to reduce the risk to levels which are demonstrably As Low As Reasonably Practicable (ALARP) where it cannot.

Throughout all of its activities, the Club will appoint an appropriate number of competent persons to implement the Club's SHEF procedures. In addition, a number of SHEF committees are established to ensure proper consideration of all risk factors, Committee members and other competent persons may be employees or volunteers. Competence will be guaranteed by formal training, the maintenance of records and, for motor sports events, full compliance with the rules and regulations of The Motor Sports Association (MOTORSPORT UK), the governing body of the sport in the UK, and the venue owners.

P Tunnicliffe, President 2021
