Spectator Information

Please remember Trials are not really spectator events. Many hills are unsuitable for public access and only those listed below are available for public viewing. If visiting a spectator hill please remember to park responsibly, respect the landowner's property and follow any instructions given by a Marshal.

This event primarily uses OS map 149, plus small sections of maps 162 and 150.

Please note – Lambing is in progress, therefore **no dogs** will be allowed on any hill venues. Please be aware that most hill sections are near or on farmland containing sheep. We would rather you make alternative arrangements than risk putting our relationship with landowners in jeopardy.
