11. Results will be published in accordance with NCR 3.6.1.1a and be declared as Provisional for 7 days before being declared as Final.
12. Awards on the day (Fastest Time of the Day, Fastest Vintage, Fastest Sports Car & Fastest Young Driver) will be issued using the provisional results.
13. Competitors will have the opportunity of walking the course **and at least one practice run** NCR 14.1.5.2. Practice will be run in class order. Ordinarily, all competitors must complete at least one timed practice run in accordance with NCR 14.1.5.4, however, the Organisers reserve the right to run Practice under convoy conditions, should the event in question so require.
14. Starting order will be in Class order. Cars will start singly. The starting signal will be given by light(s). Timing will be electronic and activated by a light beam. Timing starts **when the light beam is activated**. The finish line will be clearly indicated. Timing Struts are required to comply with NCR 14.4.11.1 'Where timing is activated by a light beam, the vehicles will be fitted at the front with a vertical timing strut, minimum vertical height 254mm, the bottom of which shall be not less than 180mm and no more than 200mm from the ground. The strut will be in matt black on both sides, over its total area, which shall be not less than 254mm by 51mm. No other, or further forward, part of the vehicle may interrupt these dimensions or actuate the timing.'
15. The Club reserves the right to enable extra runs, should time allow, which will not count toward Championship Points, Class Awards or Annual Aggregate Scores.
16. Competitors will be identified by numbers which may be available **for purchase** from the organisers. These comply with Motorsport UK regulations, as must any numbers an entrant provides for themselves NCR 14.2.3.
17. All other General Regulations of the Motorsport UK apply as written, except for the following which are modified:-
  - NCR 6.1.8 (Advertising) No competing car may carry any advertising unless authorised or provided by the Organisers.
  - NCR 3.5.7 (Entries) **A car may only be entered more than once if specified in the SRs but shall only compete once with the same driver.**
  - NCR 12.6.1 (Handicaps) Handicap times may be adjusted after practice on the day of the event and final handicap times will be displayed. In addition, any driver who in any run improves upon their best practice time by more than 5% may be excluded from the handicap awards.
  - NCR 3.11.1.1i (Driver/Car Change) Any change of car or driver from that shown in the programme must be submitted and sanctioned by the Secretary of the Meeting, in accordance with the provisions on NCR 3.11.1.1i.
18. Any competitor driving on the course except under official instruction may be excluded.
19. Any appeal or protest must be lodged in accordance with NCR 2.4 and NCR 2.9.
20. All competitors should read the Official Notice Board when they sign-on and after practice/before the timed runs commence to check for any amendments or changes.
21. Competitors are reminded that appropriate Motorsport UK compliant overalls, gloves, goggles (where applicable) and helmets are a mandatory requirement at speed meetings NCR 14.2.4. Heat and flame-resistant balaclavas, socks, and shoes meeting the standards of NCR 9.12 are strongly recommended.
22. Any competitor planning to use an on-board camera, must make themselves familiar with NCR 7.9. Any on-board camera must be securely mounted and ready for inspection at Scrutineering. Once this inspection has been passed, the Scrutineers will issue a **relevant** sticker. This sticker will be inspected in the Assembly Area before being permitted on to the course. The presentation of a competing car in the Assembly Area with an on-board camera fitted, but failing to display a **relevant** sticker may result in access to the course being declined and the competitor being reported to the Clerk of the Course. In the case of the competitor being involved in an incident, all video footage must be surrendered to the organising club and/or the circuit immediately. NCR 7.9.1.8 applies regarding cameras fitted to crash helmets.

23. The use of cars, motorcycles or any other vehicles at more than walking or gentle speed on any part of the site, or use of any drones or fireworks within the vicinity is specifically banned. Anyone connected with the event found behaving in such or similar fashion that could endanger others, or the future of the event, will be reported to both the Clerk of the Course and the Duty Director, for consideration of immediate exclusion from the meeting, and also to the Club Committee for further action.
24. All competition numbers **must be covered or removed at all times whilst driving on the Public Highway** or if/when taken off site NCR 14.2.3.2. Any non-road legal car must not be driven from the venue. Any competing car seen on the public highway displaying competition numbers will be reported to the Clerk of the Course.
25. Speed Log Books for non-road registered competing cars running in racing car classes are required. Entrants should note the requirements for log books for Speed Events NCR 14.1.4.2.
26. In accordance with NCR 2.2, all Drivers and Officials consent to submit themselves to an alcohol breathalyser test as required. The Club's approved equipment used for testing are 'AlcoSense Ultra' breathalysers within valid calibration periods of their current calibration certificates. Calibration and maintenance of the devices will be undertaken by AlcoSense Breathalysers. A Driver or Official who is considered to be possibly unfit due to consumption of alcohol will not be permitted to participate. Such persons may request a re-test after a period of at least 60 mins. If the Driver or Official is still considered unfit following the second test he/she remains ineligible to participate. Should a Driver not participate in either qualifying or a race / timed run due to the possibility of being unfit due to the consumption of alcohol, further participation shall be at the sole discretion of the Clerk of Course. In addition to the test, the Clerk of the Course and/or the Secretary of the Meeting may, at their sole discretion, direct that a test be carried out on any Driver or Official at any time during the meeting should they consider there are grounds for doing so. The results of all breathalyser tests remain confidential between the Secretary of the Meeting, the Clerk of the Course and the Driver or Official concerned. Refusal or withdrawal of consent to take a breathalyser test will be treated as a failure of the test and the Driver or Official shall be excluded from participation at the meeting.  
N.B. Competitors' and Officials/Marshals will be selected at random for alcohol testing prior to the event. Those selected will be marked on a Bulletin which will be clearly displayed on the Official Notice board. If selected, Competitors' and Officials/Marshals should present themselves to the Secretary of the Meeting prior to the commencement of their first practice/duty.
27. **SAFETY, HEALTH, ENVIRONMENT AND FIRE (SHEF) AT THE VINTAGE SPORTS-CAR CLUB (VSCC) AND DURING VSCC EVENTS**  
It is the Policy of the Vintage Sports-Car Club (the Club) to operate in a positive culture of safety, health, and environmental protection throughout its entire business and sporting activities. To this end, the Club will coordinate all relevant activities under the collective heading of Safety, Health, Environment and Fire, or 'SHEF'.  
The Club fully recognises the potential risks in its activities, the application of relevant legislation, and that it has the ultimate legal responsibility in these matters both in the workplace and at the Club's events. Accordingly, the President accepts overall responsibility for policy formulation and effective implementation of that policy. In turn, all employees, competitors, officials, and volunteer helpers are responsible for all SHEF duties allocated to them, either directly, or as a result of the Club's SHEF policy. Members of the public at Club events, whether paying or not, will be advised of their responsibilities as a result of their decision to spectate.  
In pursuance of this policy, the Club will progressively identify all hazards and take measures to reduce risk. Motor Sport is spectacular and exciting, providing enjoyment to competitors and spectators alike, but there are many aspects of the sport which carry inherent risk. Much of this risk cannot be eliminated totally, and the emphasis must therefore be placed on controlling the risk through effective risk management systems. The purpose of such Risk Management will be elimination of the risk where possible, or to reduce the risk to levels which are demonstrably As Low As Reasonably Practicable (ALARP) where it cannot.  
Throughout all of its activities, the Club will appoint an appropriate number of competent persons to implement the Club's SHEF procedures. In addition, a number of SHEF committees are established to ensure proper consideration of all risk factors, Committee members and other competent persons may be employees or volunteers. Competence will be guaranteed by formal training, the maintenance of records and, for motor sports events, full compliance with the rules and regulations of Motorsport UK, the governing body of the sport in the UK, and the venue owners.

Simon Blakeney-Edwards, President 2024

28. **CARBON OFFSETTING SCHEME**

For 2025 the VSCC has entered into an arrangement with Tree-V to recover the CO2 emissions cars emit while competing this offsetting the environmental impact of our Motorsport activities.
