Lincolnshire Tour

Sunday 21st June 2026

The Lincolnshire Tour will give members a great opportunity to explore more of this beautiful but largely under-stated county and to extend their vintage experience over the whole weekend.

Starting and finishing with refreshments at Hackthorn Hall, in Lincolnshire, approximately 8 miles due North of Lincoln.

This year we will be exploring the Northern end of the beautiful Lincolnshire Wolds, with (weather permitting) wonderful views, rolling hills and valleys, and pretty villages.

Being the day after Cadwell Park, a great opportunity to make a weekend of vintage car action in Lincolnshire.

The route is approximately 70 miles, with a lunch stop arranged for your picnic lunch about halfway. The route is mainly along lanes and B roads with little traffic. Wide verges and good visibility make them a driver's delight.

Self-contained overnight camping (no facilities) is available on site by prior arrangement.

It is anticipated that there will be strong demand for places on this new tour and with limited numbers, early booking is advised.

10. **Lunch.** Refreshments will be provided at the start and finish of the tour and participants are advised to bring a picnic lunch, although artisan icecreams, coffee, cake and other light refreshments are available to buy at the lunch stop.

11. **Finish.** At the finish all drivers must report to the organisers to sign a Damage Declaration Form. Crews are expected to return to the start/finish from approx 4.00pm onwards where teas and cakes will be served.

12. **Trailers.** There is room for cars and trailers at the start venue to be left at the owner's risk.

SAFETY, HEALTH, ENVIRONMENT AND FIRE (SHEF) AT THE VINTAGE SPORTS-CAR CLUB (VSCC) AND DURING VSCC EVENTS

It is the Policy of the Vintage Sports-Car Club (the Club) to operate in a positive culture of safety, health, and environmental protection throughout its entire business and sporting activities. To this end, the Club will coordinate all relevant activities under the collective heading of Safety, Health, Environment and Fire, or 'SHEF'.

The Club fully recognises the potential risks in its activities, the application of relevant legislation, and that it has the ultimate legal responsibility in these matters both in the workplace and at the Club's events. Accordingly, the President accepts overall responsibility for policy formulation and effective implementation of that policy. In turn, all employees, competitors, officials, and volunteer helpers are responsible for all SHEF duties allocated to them, either directly, or as a result of the Club's SHEF policy. Members of the public at Club events, whether paying or not, will be advised of their responsibilities as a result of their decision to spectate.

In pursuance of this policy, the Club will progressively identify all hazards and take measures to reduce risk. Motor Sport is spectacular and exciting, providing enjoyment to competitors and spectators alike, but there are many aspects of the sport which carry inherent risk. Much of this risk cannot be eliminated totally, and the emphasis must therefore be placed on controlling the risk through effective risk management systems. The purpose of such Risk Management will be elimination of the risk where possible, or to reduce the risk to levels which are demonstrably As Low As Reasonably Practicable (ALARP) where it cannot.

Throughout all of its activities, the Club will appoint an appropriate number of competent persons to implement the Club's SHEF procedures. In addition, a number of SHEF committees are established to ensure proper consideration of all risk factors. Committee members and other competent persons may be employees or volunteers. Competence will be guaranteed by formal training, the maintenance of records and, for motor sports events, full compliance with the rules and regulations of Motorsport UK (MSUK), the governing body of the sport in the UK, and the venue owners.

Paul Mullins, President, April 2026
